### DVV Clarification for 1.2.1 & 1.2.2

#### DVV Findings:

HEI to provide list of all Add on /Certificate programs for last five years under the seal and signature of the head of HEI. HEI needs to provide approval letters for starting all the Certificate/Add-on program for all years. HEI to also provide; one sample certificate each for each Program for all years. HEI to also provide the number of students enrolled in each subject related Certificate or Add-on programs year wise during last five years mentioning Academic Year , Roll number , Batch year, Program being studied , of each student under the seal and signature of the head for HEI.

#### HEI Response:

In response to the DVV clarification asking for an approval letter to start certificate courses, HEI would like to justify that, as the duration of the certificate course is 30 hours, permission is not taken from the university; instead, we have taken approval from the college governing body. Hence, the syllabus and assessment are made at the college level by the conveners of the concerned departments and the certificates are issued to the students.

Resolutions of the meeting in both regional language and translated copies are enclosed along with the documents mentioned in the above queries.
