### Report on Webinar “Feminist Criticism”

On June 12, 2020, our institution hosted a state level webinar on the subject of "Feminist Criticism" while the country was under a COVID-19 pandemic lockdown. The webinar's main speaker was Dr. Y. Chandrababu, the head of the Kannada department at GBR Degree College, Huvinahadagali.

In his lecture, he pointed out that women have shrunk in a male-dominated system. It is regrettable that we will provide reservations and respect for women at all levels but will not put them into action. Women have a role in every arena. Women are working hard, from the kitchen to the highest office in the country. Apart from that, the work of today's modern women is commendable in light of the literature of folk mothers.

He also mentioned how women were respected greatly in earlier times, but that their roles were limited to the home. In the contemporary era, women are no longer seen as belonging to the weaker group and are acknowledged to have equal rights to everything as men. There are no longer any fields without women.

Sri Mallikarjuna, the principal, presided over the meeting. Dr. D. Thippeswamy, the head of the Kannada Department, gave the introductory speech. Dr. A. M. Rajashekharaiyah gave a welcome speech, and Sri Rajashekhar Negalur presented the vote of thanks.

The webinar had 30 participants from other institutions. The participants received certificates online.
