The National Service Scheme Unit held its annual camp from March 9 to 15, 2018 in Adavihalli village near Harpanahalli. 100 students from two units had gone to this village with the mantra "villages are our purpose." Students were divided into five teams: the Mahatma Gandhi SwayamSeva Team, Swami Vivekananda SwayamSeva Team, Mother Teresa SwayamSeva Team, Dr. B.R. AmbedkarSwayamSeva Team, and Dr. A.P.J. Additionally, the children received life skills training so they could become role models from the camp by displaying courage and confidence in many ways. All of the aforementioned teams were given different work schedules.

Aside from the Shramdana service, the camp officers directed the neat daily completion of the following tasks: cooking, meeting preparation, flag-hoisting, water, cleanliness, order, inviting villages to the evening programme, and executing awareness campaigns. Some of the campers who attended the camp were from the village, and some were students from the town. Apart from their regular studies, it was a fantastic opportunity for the youngsters to showcase their abilities around the hamlet. In this camp, all the students were allowed to use the platform, and their talents were unveiled. The students, who were shy at first, made full use of the platform as the day progressed.

The camp's daily schedule started with flag-raising and yoga. Students cleaned the various areas of the village after breakfast. Various awareness programmes were organised by NSS personnel to raise awareness among students and locals. This includes speeches from distinguished individuals, information on preventing unintentional fires, veterinarian inspections of cattle, and cultural performances by NSS volunteers.
