DVV Clarification for 5.1.3

DVV Findings:

HEI needs to provide detailed report of each program including circular having office reference numbers a guard file attendance sheets, course content for all programs conducted in 2019-20 and 2021-22.

HEI Response:

In response to the DVV Findings, the HEI provided a detailed report on the program conducted during the academic year 2019-20. Since the program conducted in 2021-22 is already included in metric 3.2.2, we would like to exclude that particular program from this metric.
