1. Introduction:

A college-level academic audit is a procedure to assess the degree of the teaching-learning process. This offers assurance regarding tactics, practises, and their applicability as well as a constant rise in academic quality. Additionally, it makes sure that resources are used as effectively as possible to raise educational standards.

Because of this, A.D.B. First Grade College followed NAAC guidelines and had an outside team conduct an academic and administrative audit. The audit was performed for the academic year 2021–2022 on 25th August, 2022.

2. Members of the Audit Committee:

1	Prof.Shantmurthy.B.Kulkarni,	Principal, Kottureshwara College, Kottur.
2	Prof.M.Vijaykumar,	Principal, S.R.M.P.P. Govt.First Grade College, Huvinahadagali.
3	Dr.Muthesha.N	Principal, H.P.S. First Grade College, Harapanahalli.
4	Prof.N.M.Nagaraj,	Principal, Govt.First Grade College, Harapanahalli.

3. Basic Information of the college:

Name and Address of the college : A.D.B. First Grade College,
Harihara road, Harapanahalli-583131,
Vijayanagara District, Karnataka.

Year of Establishment : 1972

Name of the Principal	: Dr.S.M.Siddalinga Murthy
UGC 2(F) and 12 (B) recognition	: Yes
NAAC Accreditation	: B Grade in 3 rd cycle, Accredited in 2017.
AISHE Code	: C-17737
Affiliated University	: V S K University, Ballari
Number of programs offered by the institution	: 03
Number of courses offered by the institution	: 13
Number of permanent faculty during this academic year	: 11

4. AAA Observations:

The criterion wise observations made by the AAA team is as below:

Criterion I: Curricular Aspects;

- Curriculum implemented in the college as per the V S K University guidelines.
- The College functions as per the calendar of events. The students are evaluated through continuous internal evaluation process.
- Permanent faculty members are involved in the BOS, BOAE, BOE, and evaluation processes of the university, and guest faculty are involved in the university evaluation process.
- All the programs follows CBCS system. First year follows NEP system.
- The college includes Five certificate courses in its academic work.
- Few courses like Physics and Electronics includes experiential learning through project work and courses like Chemistry, Botany and Zoology includes learning through field visit.
- Institution obtains feedback on the curriculum and its transactions from students, employers, alumni and from faculty. Online feedback system without human interference is introduced.

Criterion II: Teaching-Learning Evaluation;

- The admission process is made transparent as per the policy of government and university guidelines.
- Adequate publicity is given to admission notice through print media, prospectus, college notice board and website.

- The institution plans specialised lecture programmes to deepen the knowledge of quick learners, and slow learners receive special attention to help them get on the path of learning.
- Students centric teaching-learning encouraged through seminars, group presentations, group discussions and quiz competitions.
- Faculty uses ICT enabled teaching to convince students more effectively.
- A mentoring system has been adopted in the college. Few students are coming forward to take counselling from the mentors for their problems.
- Three of the 11 faculty members have doctorates, two are pursuing Ph.D, and two have M.Phil.'s.
- The college has experienced and dedicated teachers.
- The college conducts two internal tests per semester. The date of internal examinations is announced well in advance for both students and teachers by the examination committee. The timetable is made available to students on the notice board.
- The students were made aware of the learning outcomes of the programme and course. The same is displayed on the website.
- The pass percentage in the university examinations ranges from 90% to 100% as an achievement of the learning outcomes.
- For final-year students, the college is conducting a student satisfaction survey on overall institutional performance.

Criterion III: Research, Innovations and Extension;

- The college has organised a self-financed one-day workshop on the National Education Policy-2020.
- The college has conducted a two-day workshop on science experiments for primary and high school teachers in association with The Government of Karnataka Zilla Panchayath, Vijayanagara District, Harapanahalli Taluk Panchayath and Block Education Office.
- The college has conducted a two-day workshop on science experiments for primary and high school teachers in association with The Government of Karnataka Zilla Panchayath, Vijayanagara District, Harapanahalli Taluk Panchayath and Block Education Office.
- One research paper is published by the Physical Education Director.
- To create awareness among students, World AIDS Day was organised by the college.
- The institution has 8 MOU's, student exchange programme was organised under an MOU with a neighbouring college.

Criterion IV: Infrastructure and Learning resources.

- The college is spread over 6.93 acres with 28 spacious classrooms, 7 well-equipped laboratories, and 1 seminar hall. It can accommodate 300 students. There is a separate space for the administration section, principal chamber, NCC, NSS, and IQAC room.
- The college has sufficient playground for outdoor and indoor games.
- Ten rooms/Lab and a seminar hall with an ICT facility have been provided by the college.
- Library of the college is automated using Integrated Library Management System.
- The library has the subscription for e-journals, e-shodhsindhu, e-books and database.
- The college regularly updates its IT infrastructure, and Wi-Fi is available on campus.

Criterion V: Student support and Progression;

- All government and non- government scholarships are available for meritorious students, students belonging to SC, ST and OBC. Additionally, students who excel in sports and academic receive endowment prizes.
- Capacity building and skills enhancement initiatives have been taken by the institution which includes the communication skills, Life skills such as Yoga, physical fitness, health and hygiene.
- The percentage of students who progress to higher education ranges from 40% to 60%. Many students are self-employed.
- Many students are taking part and winning in inter collegiate and university level athletic competitions and some have become university blues too.
- Students are involving actively in the cultural programs.

Criterion VI: Governance, Leadership and Management;

- Well defined Vision and Mission are in place.
- To decentralise the power, academic responsibilities are fairly divided among all the staff members. Committees are made for the various academic and co-curricular activities to be conducted during the academic year.
- E-Governance is implemented in admission and in conducting university examination.
- The college has well defined organisation structure.
- The college conducts performance audit of every department.

- Financial support is provided to students and staff to attend the conferences and workshops.
- All the faculty are enriching their knowledge by attending seminar, conferences through online and offline.
- The institution conducts external and internal audits regularly.
- IQAC is in existence since 2005 and is active.
- IQAC comprises external experts and academic audit is conducted regularly.

Criterion VII: Institutional Values and Best Practices;

- The campus is under CCTV surveillance to provide safety and security. The mentoring system is adopted to counsel the needy student.
- In an effort to conserve energy the institution uses LED bulbs for lighting the campus and college has rain water harvesting system for collecting distilled water for chemistry experiment purposes.
- The institution has implemented appropriate waste management procedures. Municipality vehicles are used for the disposal of solid waste. In soak pits, liquid waste from restrooms is collected. Composting pits are used to turn degradable waste, such as dried tree leaves, into compost.
- Green audit is conducted for campus.
- The institution has a code of conduct for students and faculty.
- The Institute celebrates national commemorative days like National Unity Day, Republic Day, Kannada Rajyothsava, and Independence Day.
- The best practise of the college is to organise a blood donation camp every year, and the faculty also raises money for a fund for underprivileged students.

5. AAA Recommendations:

- Student strength needs to be increased.
- Faculty be encouraged to go for more minor and major research projects funded by UGC/ICSSR etc .
- More thrust on IT in teaching-learning be given.
- Number of full time teachers to be increased.

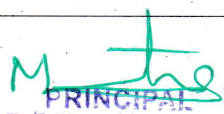

- Faculty needs to be encouraged to produce more number of publications.
- The institution needs to organise more number of conferences and seminars.
- Collaborations with formal MOUs with reputed Institutions be made for faculty development and research.
- Coaching for NET/SET and recruitment tests on regular basis be commenced.
- Alumni activities needs to be improved.

6. Conclusion:

- The institution is maintaining its academic standards.
- The IQAC is adopting quality management strategies in the academic and administrative aspects.
- Infrastructure of the college is copious.
- Faculty members are experience and dedicated.
- Student community is well-disciplined.
- Academic calendar is implemented properly.
- Innovative teaching learning method is adopted by the faculty.

7. Acknowledgement:

This is to acknowledge that with the support of teaching and non-teaching faculty the team is conducted the audit smoothly and successfully.
