Dear Sir,

Sub: To provide internship to our college students

I am writing to request an internship opportunity for our college students at your esteemed organization. As you are aware, internships are an integral part of a student's academic journey, and I believe that an internship at your organization would be a valuable learning experience for our students. Specifically, I request that the interns be trained in the field of 'folklore songs' and 'Dodddata' by your qualified staff during their internship period. I hope that you will consider my request for an internship opportunity at your organization, as it would be greatly beneficial for the students' academic and professional growth.

Thanking you,

Yours sincerely,

Principal
